Dear Brent:

Please find enclosed copies of water purchase contracts that the Letcher County Water & Sewer District is under. The first page located behind this cover letter is an amendment to the contract with the City of Whitesburg Water. This amendment reflects an increase from \$2.90 per 1,000 gallons of water purchased to \$3.00 per 1,000 gallons of water purchased. The remaining two contracts are those with the City of Jenkins, Kentucky and the City of Vicco, Kentucky.

Should you have any questions or concerns, please do not hesitate to contact me at your convenience.

Sincerely,

A handwritten signature in blue ink that reads "Brian Blair". The signature is fluid and cursive, with the first and last names being more prominent.
